

WELCOME TO THE 48th Annual Delta Ag Expo

You are invited to the 2022 Delta Ag Expo. The Delta Ag Expo provides farmers and others interested in agriculture an opportunity to see the latest technology in agricultural products, services, and information. You will have the opportunity to view agricultural exhibits and talk with extension and research personnel and get up-to-date information for planning your crop year.

PANELS

Educational panels featuring outstanding extension, research, and industry professionals will provide the latest research-proven information aimed at assisting producers. Panels are held in the meeting complex located adjacent to the exhibit hall.

EXHIBITS

Over 100 commercial exhibits will represent every phase of agriculture and demonstrate innovative production practices.

PANEL HIGHLIGHTS

- Insect Pest Updates
- Thryvon Cotton
- Fungicide Applications
- Ag Situation & Outlook
- Farm Bill Overlay Software
- Early & Late Season Management Considerations
- Early & Late Season Agronomics
- Irrigation Technologies

Wednesday, January 19, 2022 **Morning Session** **9:00 am – 12:00 noon**

9:00 AM

Entomology Panel – Insect Pests and Updates

Dr. Don Cook, Dr. Whitney Crow, Dr. Angus Catchot, and Dr. Jeff Gore – Mississippi State University

Topics:

- Important Insect Pests & Updates for Cotton, Corn, Soybeans, and Rice
- Thryvon Cotton
- Stored Grain

10:30 AM

Irrigation and Late Season Agronomic Considerations Panel

Dr. Trent Irby, Dr. Drew Gholson, Dr. Brian Pieralisi, and Dr. Erick Larson – Mississippi State University

Topics:

- Soil Moisture Sensors & Irrigation Management
- Late Season Cotton Defoliation & PGR
- Soybean Growth Stage ID, Moisture Needs and Harvest Aid Application
- Late Season Corn and Wheat Management

Wednesday, January 19, 2022 **Afternoon Session** **1:00 pm – 4:00 pm**

1:00 PM

Making Conservation Pay

Mr. Ryan Mann & Dr. Mark McConnell – Mississippi State University

1:30 PM

Early Season Management & Agronomics Panel

Dr. Jason Bond, Dr. Trent Irby, Dr. Brian Pieralisi, Dr. Erick Larson, Dr. Corey Bryant, and Dr. Justin McCoy – Mississippi State University

Topics:

- Preplant Burndown & Early Season Weed Management
- Soybean Variety Selection, Planting, and Replanting Considerations
- Early Season Fertility Management Considerations
- Early Season Cotton Management & Fertility
- Early Season Corn Management & Fertility

MISSISSIPPI STATE
UNIVERSITY™

EXTENSION

Thursday, January 20, 2022
Morning Session
9:00 am-12:00 noon

9:00 AM
Current Ag Situation and Outlook for Producers in 2022

Crop Marketing Considerations for 2022
Dr. Will Maples – Mississippi State University

Impact of High Input Costs on Crop Production
Dr. Brian Mills – Mississippi State University

Overview of Mississippi Agricultural Financial Situation
Dr. Kevin Kim – Mississippi State University

10:30 AM
Plant Pathology Panel

Yield Losses Associated with Severe Septoria Brown Spot in Arkansas Soybean
Dr. Terry Spurlock – University of Arkansas

Automatic Fungicide Applications
Dr. Tom Allen – Mississippi State University

Future Expo Dates:

2023: January 18th & 19th

2024: January 17th & 18th
