

WELCOME TO THE 49th Annual Delta Ag Expo

You are invited to the 2023 Delta Ag Expo. The Delta Ag Expo provides farmers and others interested in agriculture an opportunity to see the latest technology in agricultural products, services, and information. You will have the opportunity to view agricultural exhibits and talk with extension and research personnel and get up-to-date information for planning your crop year.

PANELS

Educational panels featuring outstanding extension, research, and industry professionals will provide the latest research-proven information aimed at assisting producers. Panels are held in the meeting complex located adjacent to the exhibit hall.

EXHIBITS

Over 100 commercial exhibits will represent every phase of agriculture and demonstrate innovative production practices.
